

Business Proposal

Proposal Number: PR-2026-102 · Version 1

Prepared for: Copenhagen FinTech Lab

Opportunity

FinTech Integration Deal — connecting Nova CRM to Copenhagen FinTech Lab's core banking APIs.

Proposed Solution

We propose a phased 3-month integration covering API authentication, transaction sync, and a real-time reconciliation dashboard, followed by a 1-month stabilization period.

Investment

Phase	Duration	Cost
Discovery & setup	2 weeks	€8,000
Core integration	8 weeks	€45,000
Stabilization	4 weeks	€12,000

Next Steps

Awaiting sign-off from client legal team. Valid for 30 days from issue date.
